HOLYWHEEL

PRODUCT SPECIFICATION SHEET

2026-11-11

HLQ101

Twisted Five Double-Spoke Replica Wheels

Size lines: 17x7.5, 18x8, 20x8

Wholesale enquiries: exact drilling, offset, centre bore, finish and availability are confirmed for the selected specification.

Sizes and specifications

Size (in)	ET (mm)	Hole options	PCD (mm)	CB (mm)
17x7.5	35.0	5H	100-114.3	66.6-73.1
18x8	35-42	5H	100-114.3	66.6-73.1
20x8	35-42	5H	100-114.3	66.6-73.1

Listed ranges do not establish every drilling combination or current stock. Send the exact PCD, offset and centre bore you need. Vehicle, brake clearance and load requirements must be checked before confirming fitment.

Company stock-order terms

Mixed stock orders from 20 pcs when available. Stock item lead time: 1-7 days. FOB. HLQ101 availability and applicable MOQ: confirm your selected specification.

Payment: T/T: 30% deposit and 70% balance before shipment. FOB.

Product construction, product documentation and order-specific availability require confirmation. No price or vehicle-fitment guarantee is stated in this sheet.
